

# *The Kayhart Arboretum at Luther Crest*

Accredited by ArbNet / 50 acres

## THE KAYHART ARBORETUM AT LUTHER CREST

The Luther Crest Campus is a 50-acre arboretum featuring a collection of 110 labeled trees. The arboretum is accredited by the international accrediting agency, ArbNet.

*Our mission is three-fold:*

- ✿ to provide aesthetic, educational and recreational opportunities for our residents
- ✿ to accept our part of the global responsibility to create a healthy and sustainable environment
- ✿ to have more people experience the intangible meaning and value that trees provide

Kayhart Arboretum • Office of Development  
800 Hausman Road • Allentown, Pa. 18104

# Gift Opportunities

## THE ARBORETUM FUND

Contributing to the Arboretum Fund is a good way to honor an individual, remember a special occasion, or memorialize a loved one. Monetary gifts of any amount are gratefully received.

### TREES

\$800 – \$ 1,500

Trees are needed to complete the tree line along Luther Crest Drive, to create a border along parts of Blue Bird Lane and at other specific sites on campus.

### LANDSCAPING

\$1,250 – \$2,500

Foundation planting along the apartment buildings and small pollinator gardens at several places will cover bare areas and support butterflies and bees.

### BENCHES

\$5,000 – \$6,000

Some existing benches need to be landscaped and new benches needing landscaping, pads and walkways may be located at selected sites.

### PLANNED GARDENS

\$7,500 – \$15,000

Special gardens to beautify our surroundings include a *Poet's Garden*, a *Native Pennsylvania Plant Garden* and other perennial gardens.

### GARDEN ACCESSORIES

\$2,000 – \$15,000

Accessories such as benches, sun dials, arbors, a fountain, pergolas and surfaced paths would enhance gardens.

### SIGNIFICANT CAMPUS LANDSCAPING IMPROVEMENTS

\$10,000+

Possibilities include a walking trail around the perimeter of the campus, installation of a fountain, landscape the area between the retention basins and Blue Bird Lane, landscape the “mounds” by the resident parking lots.
